

***Virginia Department of Health – Office of Drinking Water***  
***Available Resources***

In addition to providing financial support for your waterworks projects, the Office of Drinking Water (ODW) can assist you in several ways to improve your Technical, Financial and Managerial capacity. ODW can provide you with resources, contacts, training, and support for many of your waterworks needs. Below is an abbreviated list of services we can provide. If you are interested in these, please complete the checklist and return to us at:

Office of Drinking Water – Capacity Development  
109 Governor Street, 6<sup>th</sup> Floor  
Richmond, VA 23229
